

APRIL 2017

Opening Hours

From the week commencing the 24th April, Pedal Power will be open 3 days per week on a Wednesday, Thursday and Friday from 9.30 am – 4.00pm last ride 3.30 pm.

New Cycling Officer

A warm welcome to our new Cycling 4 All Officer – **Janet Gregory** who joined us in March. Janet is a very keen cyclist, qualified bike mechanic with experience of running all ability cycling sessions. She is looking forward to welcoming existing and new clients to Pedal Power.

Cycling in 2016/17

We had a really successful year in 2016 /17 delivering over 1,800 specialist cycling sessions. Over 160 new clients registered with Pedal Power and 148 new support workers registered to cycle with us.

New Cycle Path

Thanks to funding from Tesco and WCBC we now have a new path at Pedal Power extending the existing route and avoiding the car park. We hope this makes riding safer and more accessible. Look out for the new signs that will be installed very soon showing the new route.

NEW WEBSITE

We now have our very own website:
www.cycling4all.org

Chamber raises £3,500 for Pedal Power

Thank you very much for the generosity of members of the **West Cheshire and North Wales Chamber of Commerce** who raised **£3,500** to support Pedal Power. They held their annual St David's Day dinner in March to support Pedal Power.

More Volunteers Needed

We are looking for new volunteers to join our team at Pedal Power. Can you spare ½ day once a fortnight (or more!) to help us run the all ability cycling service?

We would welcome anyone who is interested in helping us with the following:

- **Meeting & greeting clients**
- **General Admin**
- **Taking payments**
- **Befriending visitors**
- **Getting bikes and putting them away**
- **Taking a small group for a led ride**
- **Accompanying clients on a ride (when appropriate)**

Training will be given and volunteers are able to claim reasonable travel expenses. We can also offer additional Free training to our regular volunteers such as Wheels 4 All cycle leader training, first aid /health & safety training and bike maintenance training.
